

Malaysia Mould and Die Association (MMADA) are excited to announce that effective 25 August, 2017 our Association names officially change to “MALAYSIAN SPECIAL TOOLING AND MACHINING ASSOCIATION” (MSTMA). □□□□□□□□□□□□□□

The Association will continue to operate in its current structure as a national body representing companies which are involved in metalworking and engineering supporting industries, especially those associated with mould and die, and the precision tooling technology, and the machining sectors.

MALAYSIAN SPECIAL TOOLING AND MACHINING ASSOCIATION (PPM-007-14-25081993)
